

R&D systems에서 Stem Cell에 관련하여 매달 주제별로 Spotlight 소식을 알려드립니다.

- Pluripotent Stem Cell
- Mesenchymal Stem Cell
- Cancer Stem Cell

처음 알려드리는 자리인 만큼 현재까지의 소식을 정리하여 드립니다.

Immune Cell Differentiation at its Simplest

- 1 Isolate**
your starting immune cell population.
- 2 Incubate**
cells in the Cytokine Cocktail from your chosen CellXVivo™ Differentiation Kit.
- 3 Verify**
and quantify differentiation.
