

Newly Updated Hypoxia Research Area

[Antibodies List](#)

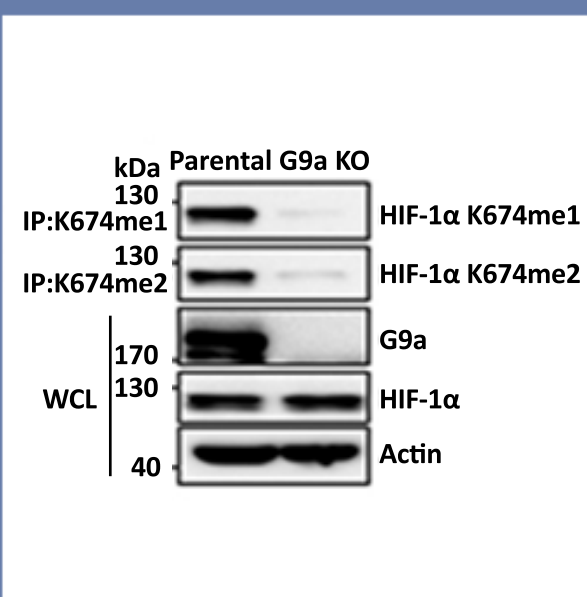

[Technical Tip](#)

Hypoxia의 명가, Novus!

- HIF proteins "Master Regulators of Hypoxia Responses"
- HIF signaling and regulation
- HIF-independent cellular adaptations to hypoxia
- Monitoring hypoxia and small molecule modulators

Now available at Novus Biologicals

New HIF-1 α antibodies specifically targeting:

- HIF-1 α K674 monomethylated
- HIF-1 α K674 dimethylated

최근 HIF-1 α K647 methylation이 HIF의 기능을 조절하는 새로운 epigenetic mechanism 으로 확인되었습니다.
